

*Our Father in Heaven, Hallowed be Your Name. Your Kingdom come. Your Will be done in Great Britain and this generation as it is in Heaven. Matthew 6:10*

## Introduction

Thank you for taking part in this collaborative Prayer marathon for Great Britain starting from your own region. This intercessory 24Hr 500 days chain is part of a larger circle of churches uniting across the British Isles to pray for Revival, Renewal and Restoration.

The commission is to intercede the Lord's Prayer Thy Kingdom Come, Thy Will be done every hour of every day throughout the year until 31<sup>st</sup> December 2011. The journey started in 2007. The mandate is to saturate the entire United Kingdom with Prayer.

This intercessory chain is NOT for personal petition nor is it for internal church needs. It is prayer cover for your Region (town, county, village or city) and the British Isles. However there may be particular personal or church needs that impact the city or nation; please do pray for these.

This prayer outline is for individual and church use. Any church can use this as a guide for their own 24 Hour Prayer Day. Any person, group or organisation may use it according to their prayer schedules and styles. Each day will be covered primarily by a church or network however anyone anywhere in the UK (or beyond) can pray at anytime they wish.

Even though we emphasise the need for churches to pray for the listed topics, they are not bound to them only. Please be at liberty to pray these topics in addition to whatever the Holy Spirit adds (Romans 8:26).

## Method

- This list of practical tips is structured around churches covering a 12Hour or 24Hour prayer slot in the calendar year.
- Appoint a Prayer coordinator. This person will oversee and ensure EVERY hour is covered. They will be the link person for all communication prior, during and post the prayer day. The link person MUST have a mobile phone, if only for that day.
- Announce and recruit church members to commit to a slot. We suggest dividing the day into twelve 2Hour slots. Allocate two-three people to each slot. Each person commits to pray for 2hours.
- ***The other option is to get 24 people who will pray 1hour each***

- Appoint leaders to facilitate each slot. We suggest mature leaders/members from your church or Prayer leadership. The early am period is generally most difficult to allocate. Choose your more committed or mature leaders to cover those.
- We suggest that you begin praying from around 11.30 pm the night leading into midnight takeover. The link person will be called around then and the 'Prayer Baton' passed.
- Give your leaders at least 2-3 days to prepare for their allocated 2Hour slots using this prayer outline.
- As a Leader, find the time to wait on God to hear what He will lay on your heart for the people
- Follow the outline and guide the people through the broad topics and prayer points
- The time bands allocated to each main topic are guides only and not mandatory. Follow the leading of the Holy Spirit but ensure the people pray for each of the broad headings
- Arrive well ahead of time to allow yourself to soak in the atmosphere of prayer and the flow of those praying in the slot before yours. Recommended time is 10-15 minutes
- It is also recommended that you pray with the Leader from whom you are taking over as well as to whom you hand over.
- Please use the scriptures outlined so that you can anchor the people into the Word of God. If the Holy Spirit lays any parallel passages on your heart, do use them.
- We would like these 24 Hour prayer programs to help establish a lifestyle of prayer within the whole church. Look and pray for creative ways to do this after the day of prayer.
